

Master in Finance / One-year program

Confirmation of enrolment

By sending a non-refundable **5,000 euro** deposit to ESSEC Business School, students who have been admitted in the ESSEC Master in Finance confirm their enrolment for the Fall 2024 intake.

Tuition

Tuition fees applied for this program amount to **€ 30,000 in 2024 – 2025 for the one-year program**. In case of one or more additional years, students have to pay enrollment fees and dues (approximately € 2,100 for each additional year). For details, students should refer to their study contract signed electronically upon enrollment as well as to their ESSEC account statement downloadable from their ESSEC registrar intranet that reflects their ledger's operations.

Fees

In addition to tuition, students have to budget additional student service fees that cover preventative medicine, student unions and ESSEC alumni contribution. In 2024-2025, these student service fees amount to € 2,080 and are payable the first year of entry at ESSEC, by 31 August.

Deadline

Payment must be made prior to the starting date of the training or by 31 August, at the latest.

Once they have started their enrollment, students may start making payments online provided the full payment of the yearly tuition is received prior to the starting date of the training or by 31 August, at the latest.

Tuition is due whatever way the student organizes his/her curriculum, whatever the number of courses he/she enrolls in. It is due whether or not the student is taking courses on campus or doing an internship or enrolled in an exchange program, whether he/she completes the program in one year or more or less. In case of withdrawal after classes have started, the student must pay for the entire annual fee.

Living expenses

Students should budget an additional amount for living expenses (housing, transportation, food, etc.) from € 16,000 to € 24,000 per year.

This document is furnished as per student's request to help apply for a loan. The ESSEC Business School cannot be held responsible for inaccuracies for the loans granted to the student.
